Supported Operating Systems and Browsers for Phone

The following statements outline the scope of Mobiliti's general device and operating system support. Only devices explicitly listed in the Certified Device List are fully supported. Other devices that conform to the general support policy below may function with Mobiliti.

Operating System	Minimum OS Version Support	Maximum OS Version Support	Hardware Requirements	Browser Support	Channel Support
Android	Android version 6.0	All later major version updates are supported; for example, 7.0, 8.0, 9.0	Remote Deposit Capture support requires a camera of at least two mega-pixels in resolution. Mobiliti does not support the use of the Android "Developer options" settings	Only the default installed browser is supported. For the majority of devices this is the Android Browser. For devices where Chrome is the default browser, this will be supported. Beta versions of browsers, such as Chrome Beta, are not supported. The SMS channel is only supported for Android devices that have SMS capability	Touch Browser Android Application SMS
iOS- iPhone	iOS version 12	All later major version updates are supported; for example, 13 Beta releases of iOS will not be supported until they are publicly released	None	Only the default installed browser is supported. For all iPhone devices this is the Safari Browser.	Touch Browser iPhone Application SMS
All other operating systems	Not Applicable	Not Applicable	None	Only the default installed browser is supported. Devices that are specifically identified as not support Webkit compatible browsers are not supported. Where possible devices will be directed to the Touch Browser channel. Beta versions and third-party browsers such as Opera are explicitly excluded.	Touch Browser SMS

For all device types, only devices running an unmodified version of the manufacturer-supplied operating system are supported.

Supported Operating Systems and Networks for Tablet

The following statements outline the scope of Mobiliti's general device and operating system support. Only devices explicitly listed in the Certified Device List are fully supported. Other devices that conform to the general support policy below may function with Mobiliti. For all device types, only devices running an unmodified version of the manufacturer-supplied operating system are supported.

Supported Operating Systems

Operating System	Minimum OS Version Support	Maximum OS Version Support	Hardware Requirements	Application Support
Android	Android version 6.0	All later major version updates are supported, for example: 7, 8, 9	Remote Deposit Capture support requires a rear-facing camera of at least two mega-pixels in resolution.	Touch Browser Android Tablet Application
iOS - iPad	iOS version 12.0	All later major version updates are supported; for example: 13 Beta releases of iOS will not be supported until they are publicly released	Remote Deposit Capture support requires a camera of at least two mega-pixels in resolution	Touch Browser iPad Application

Supported Networks

The Mobiliti product can operate on any unrestricted TCP/IP data network. Operation on restricted networks (e.g., where a firewall might be in place) is not guaranteed.
