Wroblewski Receives Prestigious Graduate School Diploma

Recently, Justin Wroblewski, Vice President & Business Banking Officer at The Stephenson National Bank & Trust (SNBT), was awarded a diploma for the prestigious Graduate School of Banking (GSB) at the University of Wisconsin-Madison. Wroblewski was enrolled among approximately 200 national and international professionals.

“We are proud of Justin’s accomplishments at SNBT, and want to give him the tools to make him even more valuable to our clients,” said Charlie Cappaert, SNBT Chief Lending Officer. “He is a major asset to our team and has helped many businesses in our communities grow and prosper.”

GSB uses a mix of lectures, bank simulations, case study discussions, and hands-on projects in order to focus on the management of strategic issues faced by these professionals. Instruction at GSB takes place during two-week resident sessions for three consecutive summers, along with comprehensive study between summer sessions. The curriculum focuses on the management of strategic issues faced by banking executives and financial service industry professionals.

Wroblewski joined the Business Banking department in 2009 as Credit Analyst and became Business Banking Officer in 2012. His responsibilities include providing guidance to prospective businesses and managing existing business loan portfolios by delivering the right mix of banking solutions.

He possesses a Bachelor of Science Degree in Business Administration from Northern Michigan University, is a graduate of UW-Madison School of Business Bank Leadership and the Wisconsin Bankers Association Commercial Lending School. In addition, he has participated in the M&M Area Chamber of Commerce Leadership Academy and Dale Carnegie High Impact Presentations.

He has been involved in various leadership roles within the bank and in the community including the SNBT Wellness Committee member, Get Smart about Credit presenter, United Way board member, and Healthy Youth Coalition Board member.

GSB is sponsored by state bankers associations from across the central U.S., as well as the University of Wisconsin-Madison, and was established in 1945 to provide bankers with an opportunity for advanced study and research in banking, economics and leadership. More than 85 esteemed academicians, economists, government officials, and industry professionals comprise the School's faculty.
