## SNBT Announces Opening Date of Wausauke Office

The Stephenson National Bank & Trust (SNBT) is pleased to announce the relocation of their Wausauke Office to 290 Main Street, Wausauke, WI. The newly remodeled banking office is scheduled to open on October 15, 2018.

“We have a strong commitment to the Wausauke community and are excited to welcome new and existing customers as we continue to grow and serve their financial needs,” said Daniel J. Peterson, SNBT President and CEO. “This is a great opportunity to take our first step towards rebranding our signature SNBT look. SNBT will celebrate the Grand Opening of this location on Thursday, October 25, as part of its annual Anniversary Open House. The occasion marks 144 successful years in the banking industry, plus celebrates the new Wausauke banking office relocation.

The new banking office, only a half-mile away from the current facility, brings a contemporary twist to SNBT’s longstanding roots in the local community. A great advantage of this building is its age. At only twelve years old, the newer building, and open floor plan, has allowed SNBT to create a more efficient customer atmosphere with banker’s offices located directly in the lobby. Another benefit to the new location is the availability of ample parking in close proximity to the front doors.

The current SNBT downtown Wausauke Banking Office will remain open until Friday, October 12 at 3pm – to eliminate potential downtime for customers. After its closure, the status of the existing SNBT building is undetermined, though there has been some interest in the building, nothing formal has been finalized at this time.
