SNBT to Answer Common Retirement Questions

Each individual has different concerns about retirement - from wondering how soon they can retire, to worrying about making their savings last. At the upcoming Retirement Forums, hosted by The Stephenson National Bank & Trust (SNBT), speakers will give solutions to many common concerns and give participants helpful tips on creating their own retirement savings plan. In addition, guests will hear scenarios related to other commonly asked questions: 1. How much money do I need to retire? 2. How will future inflation impact my retirement savings? 3. Will my savings last my entire lifetime? 4. How should I diversify my savings? 5. Should I start taking social security early or wait until later?

This program is open to the public and is designed for people of all ages and all stages of retirement planning. Topics will be relevant whether a person has not yet begun to plan, has a program in place, is near retirement, or is currently retired.

Speakers from SNBT will give easy to understand scenarios of the estimated amount a person needs to maintain his or her current lifestyle at age 65. In addition, they will cover many of the fundamental factors to be aware of when saving long-term for retirement. Each presentation will be followed by a question and answer period, along with one-on-one time with the SNBT Retirement Experts, if desired.

Make plans to attend one of the three sessions open to the public:

- Oconto at 101 Bralick Way on Thursday, March 22 from 6:00 to 8:30pm, the presentation will take place at 6:30pm
- Marinette at 1820 Hall Avenue on Saturday, March 24 from 9:30 am to noon, the presentation will take place at 10:00am
- Marinette at 1820 Hall Avenue on Thursday, March 29 from 6:00 to 8:30pm, the presentation will take place at 6:30pm
