SNBT Announces Menominee Office Remodel

The Stephenson National Bank & Trust (SNBT) will be remodeling its Tenth Street Office in Menominee, Mich. This project will encompass the entire facility, requiring the initial closure of the ATM and Night Deposit beginning on Wednesday, March 26, followed by the closure of the Lobby and Drive-Up beginning Friday, March 28. The project is expected to last about three months.

“We are excited to announce this construction project as part of our long-term commitment to Menominee,” said Daniel J. Peterson, SNBT President & CEO. “Although we are trying to minimize any interruption to our customers’ normal banking routines, the end result will make any inconveniences during construction worthwhile.”

SNBT offers the following suggestions to receive uninterrupted service:

- Visit the SNBT Marinette Office at 1820 Hall Avenue. It will be prepared to handle increased traffic with the addition of the entire Menominee Staff.
- The Marinette Drive-Up will have special Sunday hours and offers both ATM and Night Deposit which can be utilized during construction:

Lobby Hours: Monday – Friday from 8am to 5pm

Drive-Up: Monday – Friday 8am to 6pm

Saturday 8 am to 1pm

Sunday 10am to 2pm

- Use e-Banking or Bankline to monitor account balances, transfer money between accounts, and make payments.
- Follow the progress by checking for updates at www.snbt.com.

“As always, customer service is our goal and we plan to maintain that superior level of customer service throughout the construction project,” added Peterson.
